The WIND and WATER Warsaw Boat Show will be held between February 28 - March 3, 2019 at EXPO XXI in Warsaw. WIND and WATER is the largest exhibition event for the industry and supporters of sailing, motor yachting, canoeing, windsurfing and diving in Poland as well as one of the largest events on the European market. During this 4-day international event, a very rich offer of products is presented by several hundred companies offering equipment and accessories from all disciplines of active rest and water sports. A unique exposition is accompanied by meetings with famous stars of water sports: Olympic athletes, regatta riders, travelers and explorers. The fair is organized by YACHT EXPO and Murator EXPO, in partnership with the monthly *Żagle*, celebrating this year the 60th anniversary. The strategic partner of the Fair is Gdynia - Sailing Capital of Poland.

The 31st edition of the WIND and WATER gathers over 400 exhibitors, over 100 yachts and boats are exhibited, including many premiere units. Exhibitors from Poland and abroad are present, including: Croatia, the Czech Republic, Greece, the Netherlands, Latvia, Germany, Sweden, Ukraine, Great Britain and Italy. WIND and WATER, apart from a unique exhibitors offers, is also an exceptionally rich program of accompanying events – traditionally held the Canoeist Day, debuting Underwater Adventure, as well as many interesting lectures, shows, meetings with water sports champions, sailors, canoeists, divers, travelers as well as annual summaries of industry achievements. During this years WIND and WATER, you can feel hot atmosphere of the coming summer.

In addition to beautiful and luxurious yachts and boats, pontoons, RIBs, jetskis and other vessels, you can find nautical accessories, engines, safety and rescue equipment, instruments for navigation and yacht electronics at the fair. There is plenty of new products and premieres, which the exhibitors have prepared for the upcoming season. You can find rich offer of manufacturers and distributors of sailing and sports clothing, as well as tourist regions from Poland presenting their attractions related to active recreation on the water. The fair also promotes water tourist trails, charters, sailing yachts, marinas and interesting places for water sports. The newest equipment for diving, canoeing and windsurfing gives you a great opportunity to get acquainted with the latest trends 2019 and decide on plans for upcoming vacation.

In the program of the WIND and WATER, the Canoeist Day as well as the debuting Salon Underwater Adventure are held. Traditionally, presentation of prestigious awards and distinctions will take place: The Leonid Teliga Awards 2018 of the monthly *Żagle*, Yacht of the Year in Poland 2019 of the *Żagle* Magazine, KOTNIZ Yacht Product of the Year in Poland 2019 and many other. Furthermore, the monthly *Żagle* will present the winners of the Jerzy Fijka Gwóźdź of the WIND and WATER Boat Show - the laurels most awaited by the exhibitors, awarded to the most innovative products presented at the fair, distinguished by outstanding design, quality of performance and functionality.
